

# Costa Pacifica

## The music of the sea

It's the ship that's dedicated to music. You will be greeted by a crescendo of architectural styles, vibrant colours and a range of musical themes.

And the Theatre has the acoustic purity of an auditorium.

The outer deck is itself a spectacle, with its mega-screen beneath the retractable glass roof.

Well-being stretches on forever over 6,000 m<sup>2</sup> of Oriental rituals and regenerative treatments overlooking the sea.

The entertainment options are endless, with the Grand Prix Simulator, the PlayStation experience, and the Recording Studio, where you can discover your singing talents and record your own CD.
