

Costa Romantica

Rose-tinted sensations

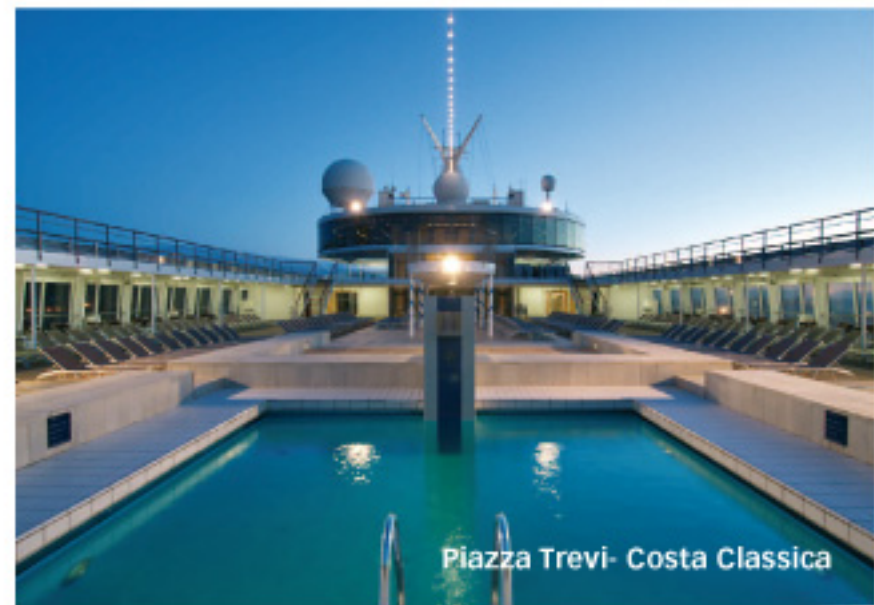

If your idea of a cruise is immersing yourself in elegant surroundings and light, relaxing colours, you've found the right ship. You can dive into the many activities on the large open-air decks under the sun, or into the Jacuzzi that seems to spring from the sea foam on the stern lido, from where you'll have a spectacular panoramic view, or perhaps in the French chic at the bow, nestled in elegant wicker chairs as you would in St. Tropez. At night you'll be irresistibly drawn to the Theatre's foyer, a meeting place for a drink and to plan your evening, amidst a sea of entertainment that can last until the first light of dawn, when the sky is indeed rose-tinted.

Costa Classica

A cruise as it should be

You will have the pleasure of discovering a cruise in its most authentic form. Starting with the furnishings, designed to create elegant and welcoming surroundings, and the tasteful materials in colours chosen to work well with the light. The heart of the ship – Piazza Navona – awaits you, to show you how much we care and to inform you about the day's entertainment. A dive into the pool at Piazza Trevi, a stroll on the upper decks to immerse yourselves in the incredible shades of blue before your eyes, or perhaps you'll head for the stunning teak terrace of the Alfresco Caffè, where we're about to serve your favourite drink. When night falls you'll head for the Puccini lounge to get your bearings for the evening's entertainment, whether it's at the disco or in the theatre decorated with delicate mosaics designed by Emilio Tadini.
