

## Costa Serena Home of the Gods

We await you in the spectacular Pantheon Atrium to help you explore your new dream home.

Inspired by the mythology and architecture of Ancient Rome, Costa Serena will ease you into well-being in all its forms.

You can already feel the bubbling pleasure of the thalassotherapy, or inhale rare aromas with their surprising effects: you have entered the Samsara, the largest-ever on board spa, with many different treatment rooms and even more cabins with direct access.

## Costa Concordia Cradle of European style

Its name suggests harmony among peoples, and its ambience evokes the class, culture and taste of the architectural styles of Europe.

Experience it on our Mediterranean routes - Costa Concordia cruises the waters of the Mediterranean Sea all year round.

A real treasure trove of innovation, it will become another destination on your cruise, to be enjoyed a little at a time.

A drink in the Stockholm Sports Bar - ideal after a jog on the deck. Sample the delights of the Helsinki Coffee and Chocolate Bar.

Or get together on the central deck, among the pools and Jacuzzis, under the stars. And after enjoying the dazzling range of entertainment, there's the relaxing peace and quiet of the largest on board spa at sea - the thousand and one pleasures of the Samsara.
