

# Costa Victoria

## Beauty in the round

You will feel surrounded by beauty – in the flawless design, the quality of the finishing touches, the works of art. You'll be enthralled by the charm of the sea, with its ever-changing vistas that you can enjoy from the balconies on the outer cabins, the stunning terrace on which the buffet is served, and from the two outer decks, where you can breathe in the romantic atmosphere.

You'll get a taste of it when you enter the Concorde Plaza, the impressive hall at the bow of the ship – a real marine oasis. Or sipping your drink in the Capriccio Bar – the name "Caprice" could hardly be more appropriate – among Emilio Tadini's mosaics. Or perhaps by enjoying a dip in the soothing Spa pool, inspired by the splendour of Pompeii.
