Exclusive Service Around the Tee Shot

The golf cruises of the EUROPA combine the pleasures of cruising and golfing in an unparalleled manner: all golf enthusiasts can look forward to a first-class service around the tee shot. PGA professionals accompany the voyages and will bring your swing to perfection by means of video analysis, at the golf simulator or on the course – on a one-to-one basis. Furthermore, you will also receive advice on how to optimise your technique within the framework of lectures. On the Golf & Cruise voyages, the at all times attentive catering to the needs of our guests is complemented by the luggage service, the transfer to the courses and the cleaning of the clubs, bags or shoes. Experience the most diverse range of golf courses on a cruise that saves you the trouble of moving from one hotel to the next – excellent conditions for focusing entirely on your game.

Due to tournaments at the respective golf clubs, there could be changes to our Golf & Cruise programme – we kindly ask for your understanding. Golf & Cruise voyages enable all players with an official handicap of 36 or less to play on the golf courses around the globe.

Our PGA Pros – Both Golf Experts and Hosts

People who share a passion frequently have a lot to talk about. The golf course does not always offer them the opportunity to do so. Therefore, you may look forward to informal golfers' get-togethers on board during which you can discuss any aspects of golfing with the professionals or simply enjoy a relaxing time together. Those who wish to be pampered in the OCEAN SPA or prefer to let their eyes wander to the horizon from a deck chair after the 18th hole will always find the individual space to do as they please aboard the EUROPA.

Perfection Thanks to Coaching

There are a variety of possibilities to optimise your golfing skills. On the course, you will play your round of golf in the company of a PGA professional who will provide you with valuable advice. He or she also organises tournaments on all the golf courses of the cruise – your chance to demonstrate your ability.
